CLIENT:

This contract is put into place to identify what a photographic session with *Egg In The Nest Photography* entails and to ensure that I am able to deliver on your expectations. Please read all information carefully. Keep a copy for yourself and then sign a copy for my records. If you have any questions, please let me know before the session. Thank you!

SESSION

- 1) Photography Session fees (non-refundable) cover time and talent only. This fee secures your session date and current prices. The fee is due at the time you book your date. The fee does not cover print pricing. Images and products are sold separately.
- 2) You are responsible for covering additional fees and costs related to location choice (admission fees, parking, etc.). Travel up to 20 miles from **WR14 1QD** is included. Time and travel above this will be invoiced. Contact me for pricing of travel.
- 3) Other photography is not permitted during the photography session. This is because it is distracting, especially to small children and prevents me from being able to do my job effectively.
- 4) I reserve the right to cancel an appointment date due to unavoidable circumstances (illness, emergency, etc.) or unfavorable weather.
- 5) I realise that there may be unavoidable circumstances for yourself that conflict with our appointment date. Please call as soon as possible to reschedule. I allow for session to be rescheduled twice with 48 hours notice at no extra cost. **Any notice with less than 48 hours notice will be billed an additional £35 and handled at my discretion.** Rescheduled dates are to be within 30 days of original date. No-Shows forfeit the session fee altogether.

PROOFING & ORDERING

- 1) Within 3 weeks after the session I will post some proofs (at least 15) in a password protected gallery online. **This gallery will be hosted for 1 month.** Our in person viewing session will be scheduled within 3 weeks after the session. This in person session will allow you browse approximately 50 images of your photography session. You will be able to choose images, photographic layouts, touch-ups to be done and style.
- 2) Any orders made during the viewing session will receive an additional discount of 10% off print order total. This discount is subject to change at any time and does not count towards the Photographic Session Fee.
- 3) Be sure to inspect your images very carefully in your gallery. Once images and products are ordered, **all sales are final.**
- 4) All ordered images will be held on file for up to two months. The images are then archived. If you would like any additional images after this time it will cost a fee of £35 to retrieve the images in addition to the cost of the print.
- 5) Please allow 2-3 weeks for your order to arrive from time of payment. Additional time may be needed for specialty items such as large canvas prints and albums. **All Sales are Final.**
- 6) I cannot begin design work or processing orders until the full payment is received.

DESIGN WORK

- 1) If you purchase items that require design work, I will consult you first to get your input on the image's style, colors, graphics, etc. for the design. Please be as specific as possible about how you would like your images to be for final production. I will then create a design doing my best to incorporate your requests. You can make up to three small changes to that design (change a color, change graphics, change out a picture). Additional changes will be billed at £15/hr. Again, I will let you know if there are extra charges before work is begun. **Once the requested changes are made, charges apply regardless if the final product is purchased.**
- 2) Since an Album is a larger design, you can make up to 10 changes at no charge; additional changes will be billed as previously described.

OTHER

- 1) Checks returned by the bank for any reason will be charged a £25 service charge and sessions/orders will be cancelled if they are not paid in full within three days of notification.
